

## TECHNICAL SPECIFICATION

**PRODUCT** : Amusoy 90% NFI – Reference 200  
**STANDARD** : GB/T20371-2006

### DESCRIPTION

Amusoy 90% NFI – Reference 200 is an instant NON-GMO soy protein isolate produced from Natural GMO-free soy bean. It is highly dispersible, bland in flavor and low in viscosity. It provides excellent nutritional properties.

<b>SENSORY ORGAN INDEX</b>		
Color & Flavor	Shallow yellow or milk-white	
Taste	Bland	
<b>PHYSICAL AND CHEMICAL INDEX</b>		
Crude protein (dry basis 6.25)	≥90%	
Particle size (% pass 100 mesh)	≥95%	
Moisture	≤7.0%	
Ash	≤5.0%	
Fat	≤0.5%	
<b>MICROBIOLOGICAL</b>		
Total plate count cfu/g	≤10000 cfu/g	
E-coli	Negative	
Salmonella	Negative	
<b>NUTRITION TABLE</b>		
Nutrients	per 100g	NRV
Energy	1527kj	18%
Protein	86.5g	144%
Fat	0g	0%
Carbonhydrate	3.3g	1%
Sodium	143mg	7%

### PACKING

In paper bag of 20kgs net each, with external kraft paper bag and separate inner polythene liner.

### APPLICATION

Amusoy 90% NFI is widely used in nutrition food and health food industry, in dry blend/powdered sport and health drinks, energy beverage, protein fortified beverage, instant beverage, soymilk products, yogurts, dairy product and mild alternatives etc.
